This is **(Call-sign)**. My name is **(Name)** and I'm located in **(City)**. I will be net control for this session of the **Hazel Park Amateur Radio Club Sunday Night 2 Meter Net**. This net meets every Sunday at 9:00 pm. The purpose of this net is to exchange information of interest to club members and the amateur community, and to promote friendship.

**(Un-key mic to allow the repeater to reset)**

This net is a regularly scheduled activity of the **Hazel Park Amateur Radio Club** of Hazel Park, Michigan. We meet on the second Wednesday of every month except June, July and August, at the UFCW Local 87 Union hall at 876 Horace Brown Drive, Madison Heights, MI at 7:30 PM local time with socializing beginning at 7:00 PM. Both our club meetings and our nets are open to everyone interested in amateur radio. We also want to invite our friends in Canada and the Kingdom of Thailand to check in to the net.

Tonight's net is number \_\_\_\_\_.
