PRESIDENT'S QRM

The month of January came in like a lion. The winds of March were quite early. We received resignations from three board members. That requires some sort of reorganization.

The list of Board Members and officers printed at the beginning of the bulletin is what was agreed upon at the January meeting. We will all need your assistance and support to make this club a happy one.

Number one in priority is to decide who will be the new officers to be elected in May. If you want to do a lot of work without much praise and hear a lot of complaints, then you to, "Charlie Brown," can be an officer! Seriously, though, we have some high quality personnel in our club and we need you to step forward and lead us through the "Valley of the Shadow of Death." Our club can be the No. 1 club in Michigan with over two hundred members as it was in the past. However, this will require your effort and your support, and it cannot be done by only seven leaders.

CONTINUED

Item two is to put real organization and drive in upcoming activities. Dale, WB8BUY, has been our whole prize committee. He is going to continue to be in charge of prizes at the meetings and has lots of new ideas that will be implemented. Field Day will be organized by the board, so let us know how you want to help. We expect at least 80% of the membership to at least come by and see this years site. (Same as last year-but with more people). We want list-operators, rigs, antennas, loggers, tents, campers, and people to have a good time. The June banquet will be enjoyable if you are there.

Before Leo starts to edit some of this copy, let me close by saying, "We want you at the meetings." Bring your wife out on a date. Bring a friend. We will try to make the meetings entertaining and informative.

The Ford Tin Lizzy Club, North Chapter, "Freeze Your Arctic Off", expedition should be congratulated on a successful event which took place on the shores of Lake St. Clair. The weather man would not cooperate to make the ice reach out to the middle of the Lake. I hate to say this, but I believe they made more contacts than we did on Field Day last year. Here is a rundown on what they did. 40 Meters - 268 contacts, 15 Meters - 132 contacts, 2 Meters - 217 contacts, and 2 Meter RTTY - 17 contacts.

They also run a 2 Meter net on Wednesdays at 8 p.m. on 146.07 - 146.67. Walt WD8AXZ is usually net control and 10 consecutive check-ins merits a certificate.

MINUTES FOR JAN. 9, 1980 MEMBERSHIP MEETING

The January meeting of the HPARC was called to order by Mike Schnell at 7:25 p.m. on January 9, 1980.

Treasurers report showed a balance of \$1,939.40. There remains a sizable outstanding bill for Swap and Shop facilities at Hazel Park High School.

Normal meeting proceedings were dispensed due to the absence of the president, secretary, treasurer and one board member. Verbal resignations were received from president; Rob Numerick, treasurer; Bob Williams, and a written resignation was received from secretary; Jim Battle.

Discussion took place regarding the continuation of HPARC or the possibility of a merger with another club. General concensus was that HPARC will continue to function under management of a new board. There was unanimous acceptance of the proposed new board.

President	Jim Turner	W8UQP
Vice President	Mike Schnell	W8NIS
Secretary	Al Bernson	K8CWA
Treasurer	Gary Black	K8PNZ
Board	Dale Pike	W8BUY
	Leo Van Poucker	N8AFA
	Carol Greenfield	W8JEJ

The new board will meet January 12, 1980 at Jim Turner's residence. All suggestions for club activities, functions or betterment can be presented personally or through any board member at a board meeting.

Topics for discussion at the January board meeting that were suggested from the floor were: 1. Continuation of Novice classes. 2. Change in hospitality procedure. 3. Field Day. 4. Written objectives of the club. 5. Programs.

Announcements: Gary Black stated that the city sent their thanks to HPARC for communication services rendered in the recent air disaster.

Dale Pike announced that QST was issuing an update on ARRL numbered radiograms for traffic handlers.

Meeting adjourned at 8:25 p.m.

SPOTTED

Donne W8NIQ and XYL Shirley were spotted by a member somewhere, which means they are still among the living.
