Presidential Prattle

-QRM de WD8S

"OK, lets get this show on the road!"

Boy, if you ever had any questions about radios that glow in the dark, last month's meeting was the time and place to get them answered.

Our scheduled speaker for the March meeting had to cancel as he has had some health problems. He is doing well, but has to take care of unfinished business first.

Also, the Editor informs me that he STILL doesn't have his computer situation under control, and apologizes for the short ZeroBeat this month. Let's hope he's back in form next month.

The HPARC Nominating committee will be calling you to solicit volunteers. Also, the Editor also informs me that he'd like to step down as Editor. So, we're looking for a lot of volunteers.

If you're wondering about the headline this month, and just in case you've been living in a cave or your radios are not working, congratulations are in order for Jim KE8QT and his new bride Vicki, and Dave KB8RXX and his spouse Connie. We wish them all the best.

I'm looking forward to seeing all of you at the next meeting.

73, Mike Van Buren, WD8S

HPARC Board Meetings

All Board meetings are at 7:30pm, Hoover Elementary School

April 1, 1996
April 29, 1996
June 6, 1996

Public Service

- The Service part of the Amateur Radio Service

Every Night at 10:15pm. SouthEastern Michigan Traffic Net (SEMTN) meets to pass National Traffic System (NTS) Traffic. Check in on the Edison Repeater, 145.33 (-) whether you have traffic or not. This is also a Training Net, so there tips and techniques to be learned.

Every Wednesday at 9:00pm. Oakland County Amateur Radio Public Service Corps (ARPSC) net on the SMART, 147.140 (+). All are invited to check in.

The March siren test resulted in 23 reports from this Net, of which there were about six sirens not functioning. The DART sub-net continues to lead the county in check-ins. Let's have more of you in May.

May 4, 1996	Saturday
June 1, 1996	Saturday
July 6, 1996	Saturday
August 3, 1996	Saturday
September 7, 1996	Saturday
