## October QRM

This months Meeting will be held on the 13th of October 7:30 will be the starting time for the meeting. The speaker for this months meeting will be Richard Mondro W8FQT. Rich is the ARRL Michigan Section Manager. This will be the first visit for Rich to our meeting. I am sure he will speak about things that are going on at the league and maybe we can get some answers on License restructuring. Also let me tell all of you that Murry KE8UM is running for Great Lakes Division Director. Murry is a active member of the HPARC and also the Tech Chairman of the Dart and has helped with the Counties Repeater. Y2K is coming soon and after last months talk on the subject I have been invited to Oakland County Y2K meeting for all Oakland County club presidents. I hope to report back to the club in October.

Thanks goes out to Bill KB8DRV who is putting together a Data base on Michigan Radio Clubs. This will help us get the word out about the Swap-n-Shop. By the time you read this the HPARC golf outing will be history. Thanks goes out to John WB8CLX for putting together the outing. Field Day Participation pins were given out at the last meeting if you did not get yours please see me WD8S for yours. Novice/Tech. Classes have begun as of September 23. Murph N8SML will be asking members to come into the class on different dates to help out I hope everybody will help Murph with this task. 73's Mike

ARPSC General Membership meeting

## The Dart Report by Steve KF8KS

Attention all DART Members in Good Standing.

Please mark Monday, November 1, 1999 on your calendar. There will be a DART general meeting at 7:30pm at the Hoover Elementary school in Hazel Park. The purpose of this meeting will be to elect two new DART Board members.

I would like to thank our outgoing board members, Lee W8HL, who as Membership Chair, has done an excellent job of getting our membership records in order and running the renewal process like a champ. As you know he continues to serve us as the HPARC treasurer. Also I can't say enough about Jim K8JV, who as Factotum has handled a myriad of assignments on the Board with a grace and charm seldom seen in the annals of the DART, plus he usually bathes prior to our meetings

So, we are looking for a couple of members to step forward to help out. The time commitment is minimal. Board meetings are called every other month, usually on the fourth Wednesday, from 7:30 to 9:00 pm, subject to agreement among the Board. We keep things informal and end the meetings on time as I do not like to stay up past my bedtime.

Plan to attend on November first. Feel free to nominate yourself. Bring your campaign manager and your supporters or just come to cast your vote. We will also be happy to manager and your supporters of just come to cast your vote. We will also be happy to discuss any other items of business that the membership would like to entertain.

Questions?? Please give me a call at 689-4048 before 9:00 pm. Hope to see you there.
