ELECTIONS

This month's meeting on May 9th will be Election of Officers. Nominations will be taken from the floor. The people who have already accepted nomination and the incumbent officers are:

President:	Jeff N8WR	incumbent
1st Vice President	Jim K8ABZ	incumbent
2nd Vice President	Murray KE8UM	nominated accepted
	Rich KC8WPW	nominated (not present to accept)
Secretary	Sean K8KHZ	nominated accepted
Treasurer	VACANT	
Director	John K8UP	incumbent
Parliamentarian	Bill N8QVS	incumbent

ALL positions are up for election—even those with incumbents. As of the meeting no one volunteered to run for treasurer. All members of at least one year good standing are eligible to be on the board for ANY position.

Nominating committee is Alex N8AJB and Paul AA8OZ . You can contact them to make nominations before the meeting.

Come to the meeting and vote on your board and bring a friend or two and show off your club. There will be refreshments as usual. Remember membership forms are online for new and existing members who want to give Jim K8ABZ information to add to the roster. Anyone can just go to our website www.hparc.org and print the form, fill it out and bring it to the meeting. You can also mail it to the club post office box for processing.

PRESIDENT'S QRM

Jeff N8WR our President went on vacation to Nashville with his family and wouldn't you know it, he ended up throwing his back out. He has been off of work and school since he came back.

His spirits are up considering and he's not letting much get him down. Even though he is on strong medication, he still has his wits about him. When I suggested that maybe now might be the time to hit

him up for that big expensive radio for the club, his response was, "Even Vicodin isn't THAT much of a wonder drug!"

Although I sure was looking forward to that nice setup for Field Day (and other activities), I guess we'll just have to wait.

Hopefully Jeff will be back on his feet and his usual self for the meeting.

Vy 73

NETS

Oakland County Amateur Radio Public Service Corp (ARPSC)

Every Thursday @ 8 pm on 146.900 MHz/100pl. Hospital Radio Net on last Thursday of each month during the net. (W8OAK-3 will run packet on 147.56 MHz for those wanting to practice and test their equipment) www.qsl.net/w8oak

Sunday Night 2-meter Phone Net

Every Sunday at 9:00 PM local time, (146.64 (-), catch up on club news and information, and just to keep in touch. All amateurs are welcome to check in.

NTS Traffic Nets

the Southeast Michigan National Traffic System (NTS) net Normally held every night at 10:15 PM local time on 145.33. Net manager is Diane, W18K.

Rocking Chair Net

You don't have to be confined to a rocking chair to check in! A friendly group meets on 145.630 MHz simplex (FM phone) at 8:00 PM local time, weekdays + some Saturdays. Net control is usually Bill, N8QVS, or Bill, KB8NIH, both of whom are located in Royal Oak.

Wolverine Net

The 75 Meter Wolverine Net meets on 3935 KHz (LSB phone) daily at 7:00 PM local time with pre-net starting at about 6:30 PM. The nets start a half hour earlier in winter. You can get details from Joe, K8JRE joecuchetti@comcast.net or Ed, W8EDE ed@ellisgen.com.

HPARC medium speed CW net

Every Tuesday night at 8:00 PM on 28.128 MHz. Al, N8WYO, runs the net and will match your speed. This is a net for folks who have mastered the 5 wpm, and want to move up to faster speeds, or if you're a little rusty.

Al calls CQHP at 8 PM sharp!

ARPSC

SIMULATED EMERGENCY TEST (SET)

URGENT—On March 16th Genesee County is having a SET involving Bishop airport. The simulation is a plane crash at the airport. The volunteers include 3 buses loads of college students. They requested help from Oakland County ARPSC.

You will need to wear a black shirt and use a dual band HT (2M/440). Amateur operators will help at the airport, 911, Fire and Mobile Comm vehicle. They also have ATV set up (not slow scan).

Bill Bond asks that you be there about 830 AM for staging purposes. The activity should conclude in the afternoon.

Although they might provide food and beverage, if you have medical needs, you should bring your own. **Contact Bill W8WRB BY MAY 9TH** to 586-268-0368.

CITIES READY INITIATIVE (CRI)

Oakland County Health Department has established a plan in the event of an aerosolized Anthrax attack. They have a 48 hour window to distribute medication to the public.

They would use the media to announce the distribution locations. One family member would go there to pick up medication and take it home. They would also take some for neighbors and shut-ins.

They have asked ARPSC to handle communications at those locations. They need as many as 90 Amateur radio operators. You need a MI RACES card which you can get with ARPSC.

Volunteers' families will be first to receive medications. This falls under the "we hope this never happens" category. The Health Department needs a list so they can make up ID cards.

Call Loretta at (248) 858-5300 or Email her at pethickl@oakgov.com

MINUTES

HPARC Meeting 4-18-07 @ 19:30 EDT

- All officers present except Secretary KC8FNQ, John K8UP and Jeff N8WR. Jim K8ABZ ran the meeting.
- Introductions by call sign by members.
- Welcome visitors Derrick SWL (studying to get license) and Brent .
- Congratulations to Upgrades. Bill N8QVS now Extra.
- Minutes unanimously approved as printed.
- Lee W8HL presented the Treasurer's report .

Jim K8ABZ—Nominations

- Alex N8AJB and Paul AA8OZ will Co-chair the nominating committee. Incumbent positions are: Jeff N8WR Pres., Jim K8ABZ 1st VP, and Bill N8QVS Parliamentarian and John K8UP Director. However all Positions are still open for election.
- Nominations from the floor were:
 - Sean K8KHZ Secretary (accepted),
 - Rich KC8WPW and Murray KE8UM 2nd VP
 - Treasurer are open
 - elections in May, in June installation @ banquet.

Speaker

- Speaker: Sean K8KHZ on VUCC & WAS awards.
- Dale WA8EFK, ARRL MI Section Manager, presented Marsha N8FE & the club with a 2nd place award 2006 Newsletter Contest.

ANNOUNCEMENTS

Jim, K8ABZ

- Dayton Hotel Rooms and flea market space. A couple rooms still available for Dayton. Call Steve N8FH for more information.

Marsha, N8FE

- Thanked everyone for helping with Siren Test on March 28th. Next siren test is May 5th.
- Extra Class is on Thursday in High School Faculty Lounge. If interested talk to Dee N8UZE or John K8UP.

Dee, N8UZE—test session first Tuesday in June. Pre-register test session is helpful but not required to N8UZE@arrl.net

Jim K8ABZ—Club upcoming events

- April 29th March of Dimes WalkAmerica in Troy
- MS Walk May 6 in Birmingham Seaholm High school.
- May 18-20th—Dayton Hamvention Steve N8FH

BANQUET

Bill Bond W8WRB and Rich Urbano KC8WPW are organizing the Banquet this year. Marsha N8FE is helping with the tickets. You can get tickets from either of them. Come enjoy an evening of Good Food, Camaraderie, and the Installation of Officers!

Date: June 13, 2007

Time: 7pm-10pm

Cost: \$ 16.00 per person

Place: De Carlos Banquet Center

6015 E. Ten Mile Rd (east of Mound Rd.)

Warren MI 48091 (see map on last page)

For tickets Contact:

Bill Bond W8WRB 586-268-0368

Rich Urbano KC8WPW 586-264-5035

Tickets available at the HPARC May Meeting

Or email them at

Bill— w8wrb@wowway.com

Rich— shadowru@comcast.net

**Map and directions
on Back Page**

- June 2nd—Oak Apple Run Mike WD8S
- June 10th—Tour De Cure diabetes bike-a-thon
- June 13th Banquet Rich KC8WPW and Bill W8WRB

Dee, N8UZE

- Michigan QSO Party, new category for award "Rookie".
- Field Day you get a pin for participation.

Gary, K8IKW

- In March, Marshall Swap, Toledo Swap. April 21st Milford Swap.
- Summer Festival in Cheboygan Amateur Radio demonstration Aug 17-19 in park next to the Coast Guard Cutter and downtown. Discounted rooms available \$59.00 for hotel. Contact Gary K8IKW K8IKW@aol.com

Jim K8ABZ—Visitors and new member greetings.

HOW COPY?

Code Proficiency Field Test Program Approved

The ARRL Programs & Services Committee approved field testing of the ARRL Code Proficiency Program in the Great Lakes Division at its April 21 meeting. This means that four ARRL VE teams in the Division will soon be offering code proficiency testing at locations in their areas. If successful, the program may be adopted nationwide.

People who achieve solid copy of text for one minute may obtain a certificate or an upgrade sticker for proficiency at the speed they copied. Code speeds range from 10-40 wpm in the on-air program, but speeds in the field test will be from 5-40 wpm.

The field program, as is true of the W1AW broadcasts, will be run once a month. There is no charge for participating in these code runs. There is a processing fee for successful candidates only if they want to obtain a certificate or upgrade sticker.

The trial run will be performed by ARRL VE teams headed for this purpose by Fernie Williams, III, KE4MAI, (Lexington, KY), Gary Kline, WC8W (Akron-Canton-Massillon, OH), Bob Johnson, K3RC (Toledo, OH) and Jim Kvochick, WB8AZP (Brighton, MI).

During discussions with the VEC manager at HQ, I learned that a number of countries still require applicants for Amateur Radio exams to pass code proficiency exams. With the FCC having gone out of the Morse code testing business, non-coded US hams who want to obtain reciprocal licenses in these countries are out of luck unless they pass code test in the foreign country. Did you ever consider taking a Morse code test in Japanese?

By running our Code Proficiency field testing program with ARRL VEs, could it be possible that passing one of our code field tests would be acceptable proof of code proficiency for these countries? [Jim Weaver, K8JE]

TOUR DE CURE

Tour De Cure —

The Tour De Cure diabetes bike-a-thon is held on the **June 10th**. Please hold that date as more information will come. If you are interested, please contact Jeff N8WR at n8wr@arrl.net or call 248-642-3608

BUDDY BREAKFAST

It's 8 AM on a dreary Saturday morning. You wake up and look at the alarm clock wondering, "Hmm, why isn't it going off? (another day—another dollar as the saying goes)" But wait... it's now 8:15 and the alarm still doesn't go off. Now you think, "uh oh, I'm going to be late."

Then it hits you, "It's Saturday morning." Some people would turn over for that extra shut eye. But not this group. Every Saturday morning at 9:30 AM a group of HPARC members and whoever they bring along meet at Jimi's Restaurant in Royal Oak for breakfast and comradery.

How about you pick a Saturday morning and join us for some coffee, breakfast and some lively chatter about our favorite topic of the day. Talk-in on the DART.

Jimi's Restaurant—Downtown Royal Oak

corner of S Washington Ave and 7th Ave.
(just north of Lincoln Ave. — west side)

MEETUP AT DAYTON

Division Gathering Spot at Hamvention

Most of you know there will be another ARRL Expo at the Dayton Hamvention (r) this year. One feature of the Expo will be a Great Lakes Division come-and-visit booth. Division members, Division appointees, Section Managers and Section appointees are invited to "come and sit a spell" or stand around and chat with each other. It'll be a good time to get to know each other as well as to ask questions and offer suggestions.

While at the Division booth, feel free to check around the other booths at the Expo. You just might find President Harrison, W5ZN, CEO Sumner, K1ZZ and a few others in the area would like to meet you and talk.

Check the schedule of ARRL forums in the program book.

Jim Weaver, K8JE, Director
 E-mail: k8je@arrl.org

VANITY FEE REDUCED

The FCC has proposed reducing the regulatory fee to obtain or retain an Amateur Radio vanity call sign by more than 40 percent starting later this year. In a Notice of Proposed Rule Making (NPRM) released April 18, "Assessment and Collection of Regulatory Fees for Fiscal Year 2007," in MD Docket 07-81, the Commission is proposing to cut the fee from its current \$20.80 to \$11.70. If ultimately adopted, that would mark the lowest fee in the history of the current vanity call sign program. The FCC proposed to collect nearly \$290.3 million in FY 2007 regulatory fees.

"These fees are mandated by Congress and are collected to recover the regulatory costs associated with the Commission's enforcement, policy and rulemaking, user information, and international activities," the FCC said. "Consistent with our established practice, we intend to collect these regulatory fees in the August-September 2007 time frame in order to collect the required amount by the end of the fiscal year." Comments on MD Docket 07-81 are due May 3. Reply comments are due May 11.

The vanity call sign fee has fluctuated over the 11 years of the current vanity call sign program, from a low of \$12 to a high of \$50. The FCC says it anticipates some 14,700 Amateur Radio vanity call sign "payment units" or applications during the next fiscal year.

The vanity call sign regulatory fee is payable not only when applying for a new vanity call sign but upon renewing a vanity call sign for a new term. The first vanity call sign licenses issued under the current Amateur Radio vanity call sign program that began in 1996 came up for renewal last year.

Those holding vanity call signs issued prior to 1996 are exempt from having to pay the vanity call sign regulatory fee at renewal, however. That's because Congress did not authorize the FCC to collect regulatory fees until 1993. Such "heritage" vanity call sign holders do not appear as vanity licensees in the FCC Amateur Radio database.

Amateur Radio licensees may file for renewal only within 90 days of their license expiration date. All radio amateurs must have an FCC Registration Number (FRN) before filing any application with the Commission. Applicants can obtain an FRN by going to the FCC Universal Licensing System (ULS) at, <http://wireless.fcc.gov/uls/>, and clicking on the "New Users Register" link. You must supply your Social Security Number to obtain an FRN. [arrl.org]

CONTEST CORNER

Welcome to Contest Corner. May/June Contest line-up are as follows:

May

- 12-13 A. Volta RTTY DX Contest - RTTY
- 12-13 CQ-M Int. DX Contest - CW/SSB

OPERATING TIP

If your log checking report shows that other folks are consistently busting a specific letter of your call sign or an element of the exchange, that's something that can often be easily fixed. Perhaps you aren't speaking clearly at high speed. Is there a punchier phonetic or could you practice saying the phonetic more distinctly?

On CW, you might be running two characters together. Examine your call sign to see if it could easily be received as different characters? In either case, have someone record your signal on the air, preferably during a contest, and see what it sounds like. [source: ARRL rate sheet]

73, Marsha N8FE

RED CROSS WON'T BUDGE

NEWINGTON, CT, Apr 16, 2007 – In March, the ARRL posted its position statement regarding the American Red Cross background check policy for volunteers. This updates information the League has obtained about that program.

ARRL General Counsel Chris Imlay, W3KD, and Chief Technology Officer Paul Rinaldo, W4RI, met March 20 at American Red Cross offices in Washington, DC, with two attorneys from the Red Cross General Counsel's office and two management-level staff members from Red Cross Disaster Services.

ARRL asked the Red Cross staff if ARRL ARES volunteers would be subject to the American Red Cross background check if they are providing communications for more than seven days. The position of the Red Cross is that ARES volunteers would not be permitted to provide communications at a disaster site for more than seven days without submitting to the Red Cross background check procedure.

Discussion was then held regarding the Red Cross announcement that credit checks and mode-of-living checks would not be conducted. ARRL's stated concern was that the ARC background investigation consent form states that a consumer report and/or an investigative consumer report – which includes certain credit checks and includes mode of living checks – will be obtained on the volunteer signing the form.

The ARRL team asked if the Red Cross would be willing to modify the consent form so that it limits the authority granted by the person signing the form to criminal background checks only. The Red Cross representatives did not indicate a willingness to modify the consent form.

The ARRL team also suggested alternatives to the Red Cross investigation firm, MyBackgroundCheck.com. ARRL was given an indication that the Red Cross is also unwilling to accept background checks conducted by other entities, because the Red Cross would be required to compare the methodologies of its selected entity with those of the alternative background-check provider.

ARRL reiterates its recommendation that members carefully review any consent document permitting a private organization to conduct a background investigation on that person. The current Red Cross background check

consent form does include permission, without further consent from the volunteer, to conduct a consumer report and/or an investigative consumer report. The Federal Trade Commission and Federal statutes define investigative consumer reports as including a mode-of-living check as well as certain credit checks.

ARRL will not suggest what organizations or agencies should or should not be supported by volunteer Amateur Radio communications. ARRL does wish to facilitate the provision of volunteer services, however.

[source: ARRL website]

OE1WHC, Wolf Harranth, from Documentary Archives Radio Communications Vienna, did an interview with 9V1YC, James Brooks, on of the BS7H team members. Wolf tells The Daily DX and The Weekly DX you can hear the very interesting interview at <http://www.dokufunk.org/>. Just click on the "mehr>>" link and then click on the MP3 file link. Thanks Wolf and James for the details!
Bernie McClenny, W3UR [Daily DX]

NEW CALLSIGNS

Carl K8BSG—now N8AE
and

Mike N8EQD—now W8VPC

One of the special features of the Vanity Call program is that family members can request the call sign of a family member who has passed away. Mike Cleary has done just that and been awarded the call sign W8VPC.

Mike's uncle Ben Hassell, the original W8VPC, became a silent key in December 2005. Ben introduced Mike to the hobby when he was young and was one of his first CW contacts after obtaining his novice license.

His uncle was also a radio officer in the merchant marines during WWII. Ben was cited for bravery when his ship was torpedoed and he stayed at his post in the radio room until it was time to jump.

Mike is currently studying to upgrade to Extra Class. Congratulations Carl and Mike on your new calls.

OAK APPLE RUN ON

This year's Oak Apple Run will be held on June 2. There has been some changes to start time and two more races added. The new start time for the 10K race is 7:30. I think that all Radio volunteers will have to be on their corners by 6:30. I know this is a big change but I know that the Hazel Park ARC will come through with flying colors.

The pre-race meeting will be held on Tuesday May 29 at the church in Royal Oak 6:30 for Pizza and Tee shirts. Also a police officer who will be in charge on Saturday will be at this meeting.

Every one who helps at the north end of the course is being asked to join us at the finish line to help with the two new tot races. More information on this at the meeting. I think that we should all be done by 12:00.

IRC IS STILL GOOD

It is very important for me to get a count on every one so please contact me and let me know if you are going to participate. Please contact me or call me Home or work
E-mail : WD8S@comcast.net Home 248-399-7970
Work 248-454-0088

New IRC effect 5/14. Notice placement of 15¢ stamp. The \$1.85 IRC dated 2009 is still good .

Saturday, June 2, 2007

10 K Race - 7:30 AM 2-mile Fun Run/Walk - 9:30 AM

NEW - 1/4 Mile Kid's Run—10:30 AM

There will be some changes in the OAK APPLE run this year. The main race will start at 7:30 AM and there will be a new race for the kid Run. When I get more information on time an meetings I will let every one know. If you have any concerns please fell free to Email me at WD8S@Comcast.net. Mark this date down.

Mike WD8S

FIELD DAY

Again this year we have secured the use of the Hazel Park schools' Hazelwood site near Mt. Holly for Field Day. The dates are Saturday & Sunday June 23 - 24, 2007.

As usual, Bill N8QVS will honor us with his culinary skills. There are several cabins, with cots, available for the weekend. To use the cots, you will need to bring your own linens. Besides cabins, this is a good location to bring your RV or tents. You can bring your family if you so desire.

This year's Field Day will be run similarly to last year's activities. We will be 3A with a GOTA station and 3 towers. We need volunteers for set up and tear down as well as operators for shifts throughout the entire 24 hours. (not necessarily the same people). We would even like to cover those wee hours of the night if that is possible. There will be a signup sheet at the May meeting. Please sign up for the time that you can come.

Our goal for Field Day is a combination of contest and fun. We want to get as many Q's as possible but we want to introduce members to the fun of contesting on HF. The spirit of competitive/fun while with friends is what makes this kind of activity work.

Field Day is also a great opportunity for every ham to fine-tune their emergency skills. By working these contests we get the chance to practice for the real thing. Many think of it as just plain old "fun." Another advantage is that we can introduce our friends, family and neighbors to Amateur Radio. Bring them and show them what it's all about.

Contact John K8UP 248-542-9573 or Mike WD8S 248-399-7970 to volunteer.
