President's QRM

Congratulations to the 2019/2020 HPARC officers.

Much has improved in the operations of HPARC in the past year. The increase in the number of volunteers has played a major role in the improvements. Thank you to all the volunteers who contributed their time and talents to the continued success of the club. Special thanks to volunteers that participate in the Amateur Radio License Classes, Amateur Radio Volunteer Exams, Swap, Sunday Night 2 Meter Net, Repeater Team, Zero Beat, Field Day, Member Meetings.

These activities are what make HPARC exciting and enjoyable.

I look forward to continued improvements in the 2019/2020 year.

I hope to see all of you at the June Banquet, June Field Day and the August Picnic.

Have a wonderful summer.
